Covid-19 Update 30/03/20

To all of our members and your families,

We hope you are keeping well and staying safe during this difficult time, we are missing all of our young friends at youth club!

Just a quick update, today our refurb was due to begin but for obvious reasons has been postponed ☹️ But we are still working hard and can't wait to welcome you all back to a new centre!

We have been sending food and work packs out to our young people who attend our alternative education provision which seems to have gone down really well.

We have managed to get a bit of funding and can therefore offer a lunchtime food pack to our members and their families, which will consist of food for lunch ie, loaf, ham, cheese, cordial juice, snacks etc. We also have a limited number of arts & crafts packs which you can enjoy at home (sorry we can't be with you to join in the fun!). We are going to try and get in touch with as many of you as possible over the next few days, and we are really sorry if we miss you out (maybe we have the wrong number).

You will be able to pick up your lunchtime food pack and arts & crafts pack from the youth club starting from **Monday 6th April** between **12noon-2pm** and every Monday after that until further notice.

Please ensure you are following the social distancing rules set out by the government and stay at least 2metres away from anyone who is not in your household whilst out and about and please adhere to these rules when picking up your hampers at the centre. **If possible we ask that just one member of the household to come and pick up the packs & if nobody is able to leave the household please get in touch with us via our email below and we can arrange a drop off.**

As always we are available to chat so if you need anything get in contact via our email or social media.

Look after yourselves,

Team TIN 😊
